Come sit down in this chair  
If your head's tangled in despair  
Embrace tangerine  
This place is serene  
You could leave with new-colored hair

---

There's no place that you'd rather be  
If you fancy some coffee or tea  
Come on, bring a friend  
Dance party at ten  
Served with smiles as big as the sea

---

Now this is the ultimate task  
First ask your friend's flask  
Visit here for the bling  
We'll find you the ring  
So with confidence, you'll be able to ask

---

Oh this man can serve up a dish  
Made of eel, crab, or some fish  
With fusions far from bougie  
Especially if you want sushi  
Stop in for a roll that's delish

---

After a long day when you're achin'  
An infusion is what you'll want shaken  
A twist is the cure  
You'll feel better we're sure  
Reserve now or your seat may be taken

---

Come hear of this fainting goat  
For your bottle, we have the right tote  
Our product's devine  
Straight from the vine  
Our flights we'll keep you afloat

---

Some try with the use of a mold  
This scientist's secret's untold  
With sweetness for pleasure  
In a lab that's a treasure  
With her touch, turns it all right to gold

---

Bringing products from Italy and Spain  
Located near Market and Main  
Offering cheeses and meats  
Or pasta-type treats  
The range of their offering is insane

The house on Main that is seen  
Go here for some Latin cuisine  
With food that is fresh  
Empanadas that are best  
You'll leave feeling anything but lean
